# Going for Gold...?

- \*A brief look back
- \*Taking stock of where we are
- \*Looking to the future

Welfare Reform Bill

# Localism Bill

Energy Bill

*... legislation that would make the police service more **accountable** to local people and tackle **alcohol-related violence**...[the Bill]... provides for this .... It marks the next step in the government's programme to reduce central bureaucracy, increase **democratic accountability** and empower local communities.*

## Health and Social Care Bill

*"The Bill, laid before Parliament today, contains a **radical** package of reforms that will **devolve** greater power and freedoms to councils and **neighbourhoods**, establish powerful new rights for communities, revolutionise the planning system, and give **communities** control over housing decisions"*

## Education Bill

# Police Reform and Social Responsibilities Bill

## Apprenticeships and Skills Bill

## Academies Bill

*"The Bill is a crucial part of the Government's vision to **modernise** the NHS so that it is built around **patients**, led by health professionals and **focused** on delivering world-class healthcare **outcomes**."*
