

# National Crisis Care Models of Good Practice mapped against Pan Cheshire Mental Health Board Strategic Objectives

## [Local Commissioning to allow earlier intervention and responsive crisis services](http://www.crisiscareconcordat.org.uk/local-inspirations/)

<http://www.crisiscareconcordat.org.uk/local-inspirations/>

### **Good Practice: Sandwell's People's Parliament and Changing Our Lives**

52 Experts by Experience with lived experience of mental health crisis have been supported to develop the local Crisis Care Concordat action plan for Sandwell.

### **Metropolitan Police Service Commitments to the Mental Health Crisis Concordat in London**

The MPS is working towards ten commitments which can be used in local declarations and action plans across London.

#### **Objective 1**

- (a) Comprehensive data sharing agreements across the public sector**
- (b) Systematic data analysis to map need and inform joint commissioning and future planning**
- (d) Personalisation**
- (f) Update JSNAs across sub-region in a co-ordinated way**
- (g) Ensure that the needs of children and young people are properly understood**

Examples of good practice relating to crisis care across England mapped in red against CHESHIRE, HALTON & WARRINGTON ACTION PLAN – MENTAL HEALTH CRISIS CONCORDAT Objectives 2<sup>nd</sup> September 2015

**Objective 5 (e) Develop effective partnership arrangements with CAMHS and Local Safeguarding Children Boards (LSCBs)**

## **Access to support before a crisis**

**Objective 1 (e) Third/voluntary sector involvement and engagement**

**Objective 2 (a) Early interventions, prevention, access**

**Objective 2 (b) Commissioning of crisis houses and alternatives to admission**

**Objective 2 (c) Support for Carers**

**Objective 5 (a) Establish a pan Cheshire web portal**

### **Lambeth Peer-led out of hour telephone support service**

Solidarity in a Crisis provides out of hours support to people experiencing acute mental health issues.

### **South West Regional Suicide Reduction Collaborative: Project Zero**

The South West Regional Suicide Reduction Collaborative 'Project Zero' aims to reduce suicides in the region to zero by 2018.

### **Information Sharing and Police Training On Vulnerable People in London**

“Since the Metropolitan Police Service (MPS) introduced the recording of vulnerable adult information in April 2013, there have been in excess of 20,000 reports, which show that there has been an unmet demand for a mechanism to record information on vulnerable adults” – Metropolitan Police Detective Inspector, Mental Health Team.

### **The Manchester Fire and Mental Health Liaison Project**

**Examples of good practice relating to crisis care across England mapped in red against CHESHIRE, HALTON & WARRINGTON ACTION PLAN – MENTAL HEALTH CRISIS CONCORDAT Objectives 2<sup>nd</sup> September 2015**

This project was collaboration between Manchester Mental Health and Social Care Trust (MMHSCT) and Greater Manchester Fire and Rescue Service (GMFRS) to explore and address the high percentage of people who died from fire and were known to mental health services in Manchester.

#### **Crisis Intervention Team (CIT) Training (USA)**

This is a training programme developed in a number of states to help police officers react appropriately to situations involving mental illness or developmental disability.

[https://en.wikipedia.org/wiki/Crisis\\_intervention\\_training](https://en.wikipedia.org/wiki/Crisis_intervention_training)

#### **RETHINK**

For the last 10 years we have developed a new model of crisis care. We now have recovery houses across England, from Sheffield to Dorset. By helping to avoid acute admission, our services can relieve the pressures on acute wards. They can also help service users reintegrate into the community following an admission

<http://www.rethink.org/about-us/commissioning-us/alternatives-to-admission>

A service evaluation of a community-based mental health crisis house in inner city Liverpool

**Examples of good practice relating to crisis care across England mapped in red against CHESHIRE, HALTON & WARRINGTON ACTION PLAN – MENTAL HEALTH CRISIS CONCORDAT Objectives 2<sup>nd</sup> September 2015**

## Helplines

Mind has been awarded LIBOR funding to develop the Blue Light Programme, to provide mental health support for emergency services staff and volunteers from police, fire, ambulance and search and rescue services across England. The programme is being developed in consultation with individuals from across the emergency services.

There is a dedicated weekend and evening Mental Health Crisis Helpline for people with mental health problems in Surrey and North East Hampshire.

<http://www.sabp.nhs.uk/advice/crisis-help>

The Staffordshire Mental Health Helpline offers emotional support for people concerned about their mental health or that of someone they know. The helpline provides a safe space to talk through worries and concerns in complete confidence, and for some, it can be a life changing service.

<https://helplines.org/members-news/staffordshire-mental-health-helpline/>

## Urgent and emergency access to care

**Objective 3 (d) Out of hours – 24/7 service**

**Objective 6 (c) Work with CAMHS to ensure the continued delivery of a street triage model to respond to S135/136 which is able to support children and young people in crisis**

**(a) Audit current response**

**(b) Develop model for more effective joint agency arrangements**

**(d) Improved services for those with co-existing mental health and substance misuse issue**

**Examples of good practice relating to crisis care across England mapped in red against CHESHIRE, HALTON & WARRINGTON ACTION PLAN – MENTAL HEALTH CRISIS CONCORDAT Objectives 2<sup>nd</sup> September 2015**

## **The Tower Hamlets Experience: An alternative to hospital admission in Mental Health Crisis**

### **Sections 135 and 136: Running a health-based place of safety in Gloucestershire (June 2015)**

This research article assesses the impact of the Maxwell Centre, a health-based place of safety adjacent to a psychiatric hospital, which was opened in Gloucestershire in February 2009.

### **First Response in Bradford**

The First Response service offers support 24 hours a day, seven days a week to people of all ages living in Bradford, Airedale, Wharfedale or Craven experiencing a mental health crisis.

### **Devon Street Triage (2105)**

### **Safe Haven Project at the Time Out Cafe, Aldershot**

The Safe Haven project provides an alternative to A&E for adults with mental health problems in the North East Hampshire, Farnham and Surrey Heath areas.

### **Oldham Mental Health Phone Triage/RAID Pilot Project Evaluation Report**

### **Safety in Mind training film**

A film which demonstrates how police, ambulance and hospital staff should work together in mental health emergencies has been launched by South London and Maudsley NHS Foundation Trust, the Metropolitan Police and the London Ambulance Service.

### **Central and NW London NHS Foundation Trust: Liaison Psychiatry Service video**

An animated video from Central and North West London NHS Foundation Trust explaining the role of liaison psychiatry and how a specialist department can help in all hospitals.

**Examples of good practice relating to crisis care across England mapped in red against CHESHIRE, HALTON & WARRINGTON ACTION PLAN – MENTAL HEALTH CRISIS CONCORDAT Objectives 2<sup>nd</sup> September 2015**

### **Operation Serenity: pilot project with Southern Health NHS Foundation Trust and Hampshire Constabulary**

Operation Serenity is an innovative pilot project in Hampshire to improve the response from police and mental health services for people in mental health crisis.

### **North West London Mental Health Referral, Assessment and Care: core processes and standards**

Core processes and standards and template shared care letters

### **North West London's Urgent Care Assessment & Care Pathway Redesign**

Excellent, integrated mental health services to improve mental and physical health, secured through collaboration and determination to do the best for the population of North West London

### **A new vision for Urgent Mental Health Care in North West London**

Shaping Healthier Lives is North West London's mental health transformation strategy, 2012–15. It involves collaborative work between eight clinical commissioning groups and two mental health trusts.

### **Street triage pilots**

The Department of Health is funding pilot schemes, managed by nine police forces, in partnership with local NHS organisations. Some other forces already have schemes in operation, including Leicestershire Police.

### **An Ambulance Service and Police Conveyancing Policy in the North West**

"The policy has brought clarity to a very complex area of service. It has dispelled a few myths and unrealistic expectations held between agencies and placed the vulnerable person at the centre of day to day responses to mental ill health" – Greater Manchester Police

### **The Dedicated 136 Number in Lincolnshire**

"Our central number for police has helped reduce the waiting time for people in crisis who need urgent health interventions" – Lincolnshire Partnership Foundation Trust.

**Examples of good practice relating to crisis care across England mapped in red against CHESHIRE, HALTON & WARRINGTON ACTION PLAN – MENTAL HEALTH CRISIS CONCORDAT Objectives 2<sup>nd</sup> September 2015**

### **Liaison psychiatry at Department of Psychological Medicine, Hull Royal Infirmary**

The A&E mental health liaison team operates seven days a week from 8am until 10pm. It is a multidisciplinary team which includes a range of professionals who focus on people who deliberately self-harm and/or who have mental health problems within the acute care pathway.

**Operation Emblem in Warrington and Halton been evaluated waiting final results and look to sustainability to roll out models across Cheshire**

### **Quality of care and treatment in a crisis**

**Objective 3 (a) Identify models of good practice nationally and internationally**

**Objective 3 (b) Recognise, consider and plan for the different needs specific groups (e.g. BME Groups, learning difficulties/older people/young people)**

**Objective 5 (b) Establish an improvement collaborative**

**Objective 5 (c) Breaking down service provider barriers**

**Objective 5 (d) Service users and carers and those with lived experience to be integrated into partnerships**

### **The Sanctuary Manchester**

Independent report on The Sanctuary in Manchester prepared by Dr Judith Gellatly from the University of Manchester.

### **Calderdale and Huddersfield NHS Trust: Inter-Agency Information Sharing Protocol**

The protocol for the Health Informatics Service run by Calderdale and Huddersfield NHS Trust.

### **Chilypep Video: On the Edge, Young People's Experiences of Mental Health Crisis Support**

### **North of England Crisis Project: Classification and Standard Setting for Clinical Interventions in Mental Health Crisis Resolution and Home Treatment**

**Examples of good practice relating to crisis care across England mapped in red against CHESHIRE, HALTON & WARRINGTON ACTION PLAN – MENTAL HEALTH CRISIS CONCORDAT Objectives 2<sup>nd</sup> September 2015**

The North of England Crisis Project is a service improvement initiative commissioned by the North of England Strategic Clinical Network for Mental Health and Neuro-Disabilities.

### **Suicide Crisis: Innovative Crisis Care**

Suicide Crisis is a survivor-led, user-led charity that runs the first Suicide Crisis Centre in the country.

### **Lambeth collaborative Mental Health workshop outputs**

Supporting people in crisis in A&E: Lambeth Living Well Collaborative

### **Leeds Survivor Lead Crisis Service**

LSLCS is an innovative and multi award winning charity. They provide services to people in acute mental health crisis, which are alternatives to hospital admission or statutory services.

**Warrington looking at a model of Crisis Houses e.g. Cambrian Supported Living Limited**

<http://www.nhs.uk/Services/Trusts/Services/DefaultView.aspx?id=97381>

### **Recovery and staying well**

West London Mental Health Trust: Shifting Settings of Care video

## **General**

**Objective 4 (a) Mapping of current workforce numbers, gap analysis and training needs mapping**

**Objective 4 (b) GP knowledge and experience**

**The Mayor of London's Care and Support Specialised Housing Fund (CASSH) Phase 2**

The Funding prospectus for phase 2 was launched on 24th March 2015. Bids have to be submitted before noon on 30th June 2015.

**Examples of good practice relating to crisis care across England mapped in red against CHESHIRE, HALTON & WARRINGTON ACTION PLAN – MENTAL HEALTH CRISIS CONCORDAT Objectives 2<sup>nd</sup> September 2015**

## **Annual Public Health Report 2014 – Mental Health and Wellbeing in Kingston**

### **Innovative mental health sanctuary to open in Bristol**

Bristol Clinical Commissioning Group has awarded a contract for the first sanctuary in the city where people can go who are experiencing severe emotional distress.

### **Example of DRAFT Due Regard Statement**

A draft Due Regard Statement created by the Mental Health Crisis Task & Finish Group & key stakeholders in Gloucestershire.

## **[National commissioning to allow earlier intervention and responsive crisis services](http://www.crisiscareconcordat.org.uk/national-inspirations/)**

<http://www.crisiscareconcordat.org.uk/national-inspirations/>

### **Consultation on CAAPC Interim Report open until 1 September 2015**

The Commission has asked for feedback on the Interim Report by Tuesday 1 September 2015.

### **LGA and ADASS: Note for adult safeguarding boards on the Mental Health Crisis Concordat**

### **Public Health England: Suicide Prevention Profile**

Public Health England have added a Suicide Risk Profile to their public mental health data profiles.

### **Department of Health: No voice unheard, no right ignored – a consultation for people with learning disabilities, autism and mental health conditions**

This consultation closes on 29 May 2015.

**Examples of good practice relating to crisis care across England mapped in red against CHESHIRE, HALTON & WARRINGTON ACTION PLAN – MENTAL HEALTH CRISIS CONCORDAT Objectives 2<sup>nd</sup> September 2015**

### **The CORE Study**

The CORE Study is a research programme funded by the National Institute for Health Research. The purpose is to test a 39-item fidelity measure, developed by the CORE research team at UCL, which assesses how far CRT services are achieving a model of good practice.

### **Mental Health Task Force: Mental Health 5 Year Forward View Survey**

Mind and Rethink Mental Illness want to hear what you believe are the main priority outcomes for mental health services for the next five years. They have set up the Mental Health 5 Year Forward View Survey and will be using the responses to help shape the work of NHS England's Mental Health Taskforce.

### **Mental Health Task Force: A five year strategy for mental health: Terms of Reference**

The Mental Health Taskforce is responsible for creating and publishing a new five-year all age national strategy for mental health to 2020.

### **NHS England: Public mental health leadership and workforce development framework (March 2015)**

### **NHS England Business Plan 2015 – 2016**

The NHS England business plan sets out how NHS England will support commissioning and drive improvements in patient outcomes.

### **DH and NHS England: Future in mind Promoting, protecting and improving our children and young people's mental health and wellbeing (2015)**

### **Commissioning for Value: Reducing the Number of High Intensity Users of Unscheduled Services**

A new Right Care casebook shows how NHS Blackpool and NHS Fylde and Wyre CCGs addressed the issue of high-intensity users to reduce the burden on unscheduled care services.

### **NHS England: Commissioning for Quality and Innovation (CQUIN) Guidance for 2015/16**

This guidance sets out the CQUIN scheme for 2015/16, to be offered by NHS commissioners to providers of healthcare services under the NHS Standard Contract.

**Examples of good practice relating to crisis care across England mapped in red against CHESHIRE, HALTON & WARRINGTON ACTION PLAN – MENTAL HEALTH CRISIS CONCORDAT Objectives 2<sup>nd</sup> September 2015**

#### **£75,000 charitable grant to fund national review to assess needs for veterans' mental health (February 2015)**

The NHS is set to benefit from a charitable grant from the Forces in Mind Trust to fund a national review of Health services under the NHS Standard Contract.

#### **£75,000 charitable grant to fund national review to assess needs for veterans' mental health (February 2015)**

The NHS is set to benefit from a charitable grant from the Forces in Mind Trust to fund a national review of Health Needs Assessments for veterans' mental health and other health related needs.

#### **Department of Health: Suicide prevention: second annual report (February 2015)**

The second annual report sets out what local areas can do to prevent suicide and save lives.

#### **Commissioning mental health services for vulnerable adult migrants: Guidance for commissioners (2014)**

Updated guidance by Dr Pauline Lane, Reader in Mental Health, Department of Primary and Public Health, Anglia Ruskin University and Professor Rachel Tribe, School of Psychology, University of East London.

#### **Centre for Mental Health: Supporting children's mental health is a good investment (2015)**

#### **Public Health England: Model Specification for Child and Adolescent Mental Health Services:**

#### **Public Health England: Model Specification for Child and Adolescent Mental Health Services: Targeted and Specialist levels (Tiers 2/3)**

#### **PHE publishes report on substance misuse treatment for young people (January 2015)**

The latest statistics on specialist substance misuse treatment for young people in England during 2013 to 2014.

**Examples of good practice relating to crisis care across England mapped in red against CHESHIRE, HALTON & WARRINGTON ACTION PLAN – MENTAL HEALTH CRISIS CONCORDAT Objectives 2<sup>nd</sup> September 2015**

### **Public Health England: Mental health: needs of gang-affiliated young people (2015)**

A briefing produced as part of the Ending Gang and Youth Violence programme

### **Mental Health Foundation: Right Here: how to promote youth-friendly mint**

A briefing produced as part of the Ending Gang and Youth Violence programme

### **Mental Health Foundation: Right Here: how to promote youth-friendly mental health and wellbeing services**

This 'How to' guide is one of a series of guides designed to bring together learning from the five-year Right Here programme to support the mental wellbeing of young people aged 16–25.

### **NHS England: New commissioning tools published for transitions from Child and Adolescent Mental Health Services (CAMHS) (2105)**

Two new resources to support commissioning effective transitional mental health services for young people.

### **House of Commons Home Affairs Committee: Policing and mental health (2105)**

Eleventh Report of Session 2014–15

### **NICE Shared Learning Awards 2015**

NICE is now accepting entries for the 2015 Shared Learning Awards which recognise and reward examples of how NICE guidance and standards have been put into practice.

### **Joint Commissioning Panel for Mental Health: Guidance for commissioners of mental health services for young people making the transition from child and adolescent to adult services**

### **National Voices: No Assumptions, A narrative for personalised, coordinated care and support in mental health**

**Examples of good practice relating to crisis care across England mapped in red against CHESHIRE, HALTON & WARRINGTON ACTION PLAN – MENTAL HEALTH CRISIS CONCORDAT Objectives 2<sup>nd</sup> September 2015**

This document describes some critical outcomes and success factors in the care, support and treatment of people who use mental health services, from their perspective.

### **Preventing Suicide in England: A cross-government strategy to save lives (DH 2012)**

This document sets out the national all-age suicide prevention strategy for England.

### **NHS England, The Forward View Into Action: Planning for 2015/16**

NHS England's planning guidance document published in December 2014.

### **ADASS: Better Care Technology Survey 2014**

This survey undertaken by the Association of Directors of Adult Social Services (ADASS) considered the range and extent of technology applications within commissioned care services and sought to establish the development needs going forward.

### **NHS 111 Learning and Development Phase 2 – Call for Proposal**

This document sets out the process and timescales for organisations and their commissioners to submit proposals for phase 2. The closing date for proposals is Friday, 28 November 2014.

### **NHS London Strategic Clinical Networks: London mental health crisis commissioning standards**

The Mental Health Strategic Clinical Network has produced a set of standards and recommendations for commissioning mental health crisis services across London.

### **Care Quality Commission Thematic review of mental health crisis care: initial data review**

The analysis draws information collected from providers and other key organisations, together with data collected by CQC from people who use local services and organisations that support them, to show a picture of mental health crisis care by local authority area.

### **Joint Commissioning Panel for Mental Health: Guidance for commissioners of mental health services for people from black and minority ethnic communities**

**Examples of good practice relating to crisis care across England mapped in red against CHESHIRE, HALTON & WARRINGTON ACTION PLAN – MENTAL HEALTH CRISIS CONCORDAT Objectives 2<sup>nd</sup> September 2015**

### **Royal College of Psychiatrists Manifesto: Making parity a reality**

The Royal College of Psychiatrists Manifesto, Making parity a reality: Six asks for the next government to improve the nation's mental health.

### **CQUIN: Commissioning for Quality and Innovation in NHS Commissioning**

CQUIN stands for 'Commissioning for Quality and Innovation' in NHS commissioning. The CQUIN payment framework enables commissioners to reward excellence, by linking a proportion of English healthcare providers' income to the achievement of local quality improvement goals.

### **Good Practice Template**

Download and use this good practice form to tell us about what you are doing locally to design and deliver a service / group / initiative for people living with mental health problems.

### **Strengthening Mental Health Commissioning in Primary Care: Practical solutions and learning from experience**

This report is intended to provoke and support clinical commissioners to champion effective primary care mental health services. The guide is written specifically for mental health commissioners and practitioners and could be a useful resource for other commissioners and providers too.

### **Resource: BMA Board of Science – Achieving Parity of Outcomes**

Download the BMA Board of Science's report: 'Recognising the importance of physical health in mental health and intellectual disability - Achieving parity of outcomes.'

## **Access to support before a crisis**

### **Objective 5 (d) Service users and carers and those with lived experience to be integrated into partnerships**

### **SCIE: Adult Safeguarding: sharing information**

SCIE's Adult safeguarding: sharing information guide aims to support implementation of the adult safeguarding aspects of the Care Act 2014.

**Examples of good practice relating to crisis care across England mapped in red against CHESHIRE, HALTON & WARRINGTON ACTION PLAN – MENTAL HEALTH CRISIS CONCORDAT Objectives 2<sup>nd</sup> September 2015**

## **Health and Social Care Information Centre: A guide to confidentiality in health and social care**

### **Big White Wall**

Safe, 24/7 digital support for mental health and wellbeing issues. Clinically moderated at all times.

### **Access to care – NHS Mental Health Apps Library**

NHS England has launched a ground breaking initiative to improve access to psychological therapies by unveiling the first ever directory of NHS-endorsed digital mental health services.

### **HMIC: The welfare of vulnerable people in police custody (March 2015)**

HMIC has published a report on the welfare of vulnerable people in police custody, following a thematic inspection commissioned by the Home Secretary. HMIC was asked to look specifically at the treatment of children, people who were mentally unwell and people from black and minority ethnic backgrounds.

### **Henry Ford Health System: Depression Care Program Eliminates Suicide**

A unique program in Detroit for patients with depression has resulted in two and a half years without a single suicide from Henry Ford's patient population.

## **NHS England: Guidance to support the introduction of access and waiting time standards for mental health services in 2015/16**

### **Connecting with People: U Can Cope campaign**

#### **Connecting with People: Staying Safe if you're not sure life's worth living**

This new resource, from Connecting with People, has been written to support anyone in distress and feeling suicidal.

#### **Suicide Mitigation in Primary Care Fact Sheet**

Fact sheet produced on behalf of the RCGP/RCPsych Primary Care Mental Health Forum.

**Examples of good practice relating to crisis care across England mapped in red against CHESHIRE, HALTON & WARRINGTON ACTION PLAN – MENTAL HEALTH CRISIS CONCORDAT Objectives 2<sup>nd</sup> September 2015**

**Suicide prevention for GPs is highly cost effective, Martin Knapp, LSE**

**Tele triage suicide prevention measure**

What can be learnt from domestic & international tele-triage models to assist NHS 111 London in the development of best practice for mental health callers in crisis

**Hospital Episode Statistics and Mental Health minimum data set – April 2014**

This is the latest monthly (April 2014) statistical publication in relation to the linked HES (Hospital Episode Statistics) and MHMDS (Mental Health Minimum Data Set) data.

## **Urgent and emergency access to care**

**Performance Monitoring Information: Section 136 Mental Health Act 1983 & patients who are AWOL (April 2015)**

Report of the London Mental Health Partnership Board.

**NHS: Help us shape the future strategy for the NHS Directory of Services (DoS) to support users across the whole urgent care system**

Details of engagement workshops in February and March to listen to stakeholder views and needs, to understand how we can open up and improve the Directory of Services.

**Department of Health and Home Office Consultation Report: Review of the Operation of Sections 135 and 136 of the Mental Health Act 1983**

**Care UK Urgent and Important: The Future for urgent care in a 24/7 NHS**

The Urgent Care Commission recommendations for service-wide improvements.

**Examples of good practice relating to crisis care across England mapped in red against CHESHIRE, HALTON & WARRINGTON ACTION PLAN – MENTAL HEALTH CRISIS CONCORDAT Objectives 2<sup>nd</sup> September 2015**

**Home Office: Helping the police to support people with vulnerabilities**

**Resource: NHS England – Urgent and Emergency Care Review End of Phase 1 Report**

Download NHS England's Urgent and Emergency Care Review End of Phase 1 Report.

**Guidance to Liaison Psychiatry Services**

This guidance, commissioned by the Strategic Clinical Network for Mental Health, Dementia and Neurological Conditions South West, provides advice on commissioning liaison psychiatry services, specifying minimum and optimum service specifications, costs and quality outcome measures.

## **Quality of care and treatment in a crisis**

**Objective 2 (b) Commissioning of crisis houses and alternatives to admission**

**Race Equality Foundation: Mental health crisis review – experiences of black and minority ethnic communities**

The Race Equality Foundation conducted a series of interviews and focus groups with black and minority ethnic people who had experience of crisis care.

**National Mental Health Development Unit: Getting the Medicines Right**

**RCPsych Faculty of Liaison Psychiatry Newsletter March 2015**

**NHS England: A toolkit to support NHS commissioners to reduce poor experience of in-patient Care (March 2015)**

This toolkit has been developed to support NHS commissioners to work collaboratively with patients, carers and NHS provider organisations to reduce poor experiences of in-patient care.

**NHS England: Model Specification for Transitions from Child and Adolescent Mental Health Services (January 2015)**

**Examples of good practice relating to crisis care across England mapped in red against CHESHIRE, HALTON & WARRINGTON ACTION PLAN – MENTAL HEALTH CRISIS CONCORDAT Objectives 2<sup>nd</sup> September 2015**

NHS England has published a new resource to support commissioning effective mental health services for young people.

#### **EHRC: Preventing Deaths in Detention of Adults with Mental Health Conditions (2015)**

The EHRC enquiry looked at non-natural deaths of adults with mental health conditions in detention in England and Wales, focussing on prisons, police custody and psychiatric hospitals.

#### **Launch of the Independent Commission to Review the Provision of Acute Inpatient Psychiatric Care for Adults in England, Wales and Northern Ireland**

The Commission's call for evidence will be open until 18 March 2015. It would like to hear from individuals and organisations with knowledge and experience of acute psychiatric care for adults in England, Wales or Northern Ireland.

#### **The College of Emergency Medicine: Mental Health in Emergency Departments (2104)**

A toolkit for improving care.

#### **HSJ and Nursing Times: Patient Safety Awards 6-7 July 2015**

#### **Care Quality Commission: Monitoring the Mental Health Act in 2013/14**

Under the MHA 1983, the CQC has a duty to monitor how services in England exercise their duties in relation to patients who are detained in hospital or subject to community treatment orders or guardianship.

#### **CQC: A safer place to be: Findings from our survey of health-based places of safety for people detained under section 136 of the Mental Health Act**

### **Effective Crisis Planning**

**Objective 7 (b) Improve information and advice available to front line staff to enable better response to individuals**

**Examples of good practice relating to crisis care across England mapped in red against CHESHIRE, HALTON & WARRINGTON ACTION PLAN – MENTAL HEALTH CRISIS CONCORDAT Objectives 2<sup>nd</sup> September 2015**

## **NICE: Guidance on well-planned hospital discharge and Clinical Audit Tool**

### **Care Programme Approach discharge protocol**

### **Eight pilots to lead innovation in children's mental health**

Eight pilot schemes set to lead the way in innovating change to services for children and young people with mental health issues have scooped a share of a £500k fund.

### **Care Quality Commission Intelligent monitoring: trusts that provide mental health services**

Intelligent monitoring guides CQC inspections, helping them to decide when, where and what to inspect.

### **Meeting the Challenge – Making a Difference**

Download this new practitioner guide offering information, advice and guidance for those working with people with personality difficulties in community settings.

### **Royal College of Psychiatrists: Home Treatment Accreditation Scheme (HTAS) newsletter – September 2014**

Download the September 2014 HTAS newsletter.

### **Resource: Mental Health Crisis Pathway Analysis**

Download the NHS Benchmarking Network's Mental Health Crisis Pathway Analysis.

### **Resource: British Journal of Psychiatry Articles**

Download the British Journal of Psychiatry's articles on alternatives to standard in-patient care in England.

### **Child and Adolescent Mental Health Services (CAMHS) Tier 4 Report**

**Examples of good practice relating to crisis care across England mapped in red against CHESHIRE, HALTON & WARRINGTON ACTION PLAN – MENTAL HEALTH CRISIS CONCORDAT Objectives 2<sup>nd</sup> September 2015**

This is the Report for the Specialised Commissioning Oversight Group who in September 2013 commissioned an urgent stocktake of CAMHS Tier 4 inpatient services.

#### **The Bradley report five years on: An independent review of progress to date and priorities for further development**

The Bradley Commission is an independent review set up by Centre for Mental Health examining the progress made in the five years since the publication of the Bradley Report (DH, 2009a).

#### **Getting it right for children & young people (including those transitioning into adult services): a report on CQC's new approach to inspection**

The CQC has published a report on the inspection of hospital services for children and young people.

#### **BMA: Confidentiality and disclosure of health information tool kit**

The purpose of this tool kit is to identify the key factors which need to be taken into account when decisions about confidentiality and disclosure are made.

## **Recovery and staying well**

### **National Debtline**

National Debtline is a free, independent and confidential debt advice service run by the charity Money Advice Trust.

### **National Survivor User Network: Service users' experiences of recovery under the 2008 Care Programme Approach**

### **Open University: Journeying Through Wellbeing**

### **Resource: ImROC Briefing on Risk and Recovery**

**Examples of good practice relating to crisis care across England mapped in red against CHESHIRE, HALTON & WARRINGTON ACTION PLAN – MENTAL HEALTH CRISIS CONCORDAT Objectives 2<sup>nd</sup> September 2015**

## **General**

**Objective 7 (a) Development of pan-Cheshire good practice guidance**

**Objective 7 (b) Improve information and advice available to front line staff to enable better response to individuals**

**Objective 1 (c) Establish Pan-Cheshire practice/professionals groups**

**Speech by The Rt Hon Alistair Burt MP at the Royal College of Psychiatrists International Congress on 2 July 2015**

**DH Care and Support Specialised Housing (CASSH) fund Phase 2**

Specialist housing developers and providers are being invited to bid for a share of an additional fund of up to £155 million to develop accommodation for adults who need support in order to live independently, be it due to old age or disability. This phase of the CASSH fund will prioritise applications for housing for people with learning disabilities or mental health issues.

**Mental Health Services: Children: Written question (16 December 2014)**

To ask the Secretary of State for Health, how much was spent in (a) cash and (b) real terms on child and adolescent mental health services per young person in England in each of the last five years.

**Mental Health Act 1983: Code of Practice 2015**

**Stronger Code: Better Care: The Government response to the Consultation on the Mental Health Act 1983 Code of Practice (2105)**

**Basics of Improvement Methodology**

This paper is intended to provide an introduction to the 'Improvement Model' which is central to all change management programmes.

**Examples of good practice relating to crisis care across England mapped in red against CHESHIRE, HALTON & WARRINGTON ACTION PLAN – MENTAL HEALTH CRISIS CONCORDAT Objectives 2<sup>nd</sup> September 2015**
